GREAT WEST GRILL

Breathe Easy, Eat Well.

We care for our customers.

AQUALITE

ActivePure[®]
TECHNOLOGY

All of our restaurants are fully equipped with state-of-the-art air purification systems as an additional step to further protect guests from airborne and surface viruses and bacteria.

Aqualite US ActivePure[®] air cleaning technology is capable of safely removing 99.97% of airborne contaminants as small as 0.1 micron.*

*Testing conducted in FDA compliant labs; results have not been cleared by the FDA, but are the subject of filings with the FDA for clearance.

We love our community.

FEEDNH.org is Great New Hampshire Restaurants' Charitable Trust. Its mission is to strengthen New Hampshire communities through philanthropic collaboration, dedicated employee involvement and volunteerism benefiting local Families, Elderly, Education, and Disadvantaged.
